

VÄRIBINGO

VÄRIBINGO

Sateenkaari on pudottanut väripilkkujaan maahan. Ne täytyy etsiä takaisin, että voimme vielä nähdä sateenkaaren taivaalla.

Tehtävänä on havaita sekä löytää luonnosta paperin toisella puolella olevat värit. Jotkin voivat olla hieman haastavia, joten kärsivällisyyttä vaaditaan.

Mukavia bingohetkiä!
